

	Excellent (6 marks)	Very Good (5 marks)	Good (4 marks)	Acceptable (2-3 marks)	Insufficient (0-1)
Clarity: Code is self-explanatory through use of good variable names (6 marks).					
Reproducibility: Contains a "requirements.txt" and other tools to facilitate reproducibility such as an automatic data download script etc. (6 marks)					
Structure: Code is logically structured and clear (use of well organised functions/classes where appropriate) (6 marks).					
Correctness: Code appears to correctly reflect the contents of the analysis in the paper (6 marks).					
Quality Assurance: Evidence of some testing and/or checks are within the code (6 marks).
